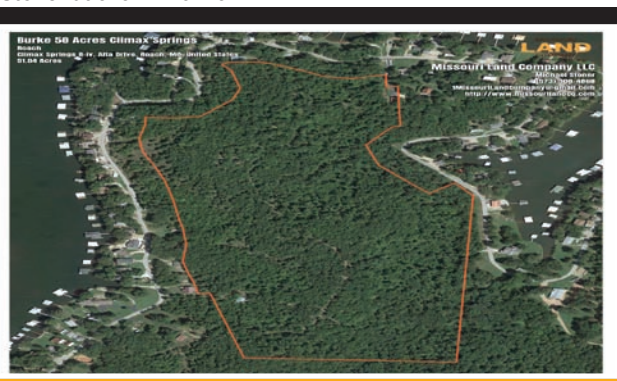
MISSOURI LAND COMPANY
Farm, Home & Hunting Properties

CAMDEN CO - 17 ACRES - $45,000

Borders state Hwy FF and is a great recreational tract. Great hunting here for both deer & turkey. Rolling hills, and good timber along with a nice little creek this will be one to keep for a long time. Boat ramp to Lake of the Ozarks is just up the Hwy, so you can be on the lake in no time. A great place to build that cabin or house. One should find mushrooms on this property as well! **Call Mike Stoner at 573-774-9775**



CAMDEN CO - 53.4 ACRES - $99,900

Overlooking the Lake of the Ozarks-hat a place to build that dream house, with electric available. You can see for miles and it is a pretty gentle laying piece of land. The deer and turkeys would be in your yard everyday. Or buy this if your not ready to build, and hunt it. The deer sign was everywhere. Located close to Camdenton & Climax Springs. Good paved road coming in &out of this property. **Mike Stoner at 573-774-9775**

CAMDEN CO - 3 ACRES - $45,000

A Lot that has some of the best Lake of the Ozarks views! What a place to build a house & get to look at this view everyday. Borders old route Hwy 5 just min from Camdenton, Mo. Electric is available. One would have to drill a well & septic. Nice area here & plenty of room to build & won't be on a hillside. Mostly wooded land with some wildlife here as well. Nice lot for the money! **Call Mike Stoner at 573-774-9775**

MARIES CO - 19.3 ACRES - $45,000

10 Min N. on Hwy 133 From Dixon & about 40 Min from Jefferson City, puts this in a highly desired area. Filled with oak trees, large food plot, wet weather creek & a thick holler towards the S. end of the property makes this a perfect place for all wildlife to thrive. With the previous owners harvesting mature whitetails and turkeys in past seasons, this place shows you that you don't have to have a large tract, just the right one. **Call Robert Baker 573-855-3442.**

PULASKI CO - 32 ACRES - $95,000

Looking for a small grass farm with all the amenities? State Hwy DD paved frontage & Buttercup CR splits the property for multiple access locations. Rural water, electricity is on the property & the owners worked with Farm Service Agency to install concrete cattle waterers on both tracts. In addition the property boasts a year round spring fed creek & 2 ponds. The hay consists of clover, fescue & timothy so bring your cattle here and they will love you for life. This hay is thick and ready for cattle. Has some bottom ground that would support row crops & if you are looking to build there are many great home sites. Deer beds were spotted while viewing the property with the owner – many nice spots for a tree stand. Good cattle tight perimeter fencing. **Call Danny Miller at 573-528-1489.**
