## United Country Land and Lake Properties is proud to present the auction of Valley View Farms and its impressive collection of equipment and collector tractors to the public this February. Located in Morrison, MO, Valley View Farms is one the state's premiere cattle operations. Founded by the Seifert family, it has earned the reputation as a top producer of registered Hereford cattle. With 800 +/- acres of pasture, woods, and row crop ground located high in the hills just west of Hermann, MO, it is unlike any farm in the area. The Seifert family have decided to pass the farm and its contents on to their next care takers. The land will be auctioned in 4 tracts.

<u>Tract 1:</u> 337 acres m/l. Includes a 3 bed, 3 bath, 1,800 sqft ranch home; multiple barns; cattle working facilities; grain bins; and fenced pasture with waterers. 60 acres are currently tillable.
