BENTON CO - 35 ACRES - \$269,000

Everyone is looking for a home and acreage right now! Well here is a nice home, detached garage and barn. The house is 1600 Sq foot, 2 nice big bedrooms upstairs. A office could be a third bedroom with a closet as well. There are 1 1/2 bathrooms upstairs with recent updating. Most of the house has been partially remodeled. Bamboo floors in kitchen and office, new paint, new gas fire place in the living room. Also new windows that need trimmed out. Basement is unfinished but has two parts , washer and dryer , water heater and furnace in the basement. The HVAC has been updated in the past couple years. Nice big wooden back deck to sit and watch the wildlife in the back yard. The owners have deer in the yard every day, also a good view of the pond from the house. With a few thousand dollars and elbow grease this house will be a place for you to retire at the lake. The two car garage is 28 x 33 and has a lower level around back for storage. The barn is nice and newer, its 36 x 36 and will house your tractor, mower and toys. The 35 acres is a hunters paradise, with a nice little creek, pond and good hardwood timber for deer and turkey hunting. This is the best of both worlds, fishing close by at Lake of the Ozarks or Truman Lake just minutes away, and hunting on your own piece of land. Paved road frontage and only 3 minutes to city limits of Warsaw. **You don't want to wait long on this place call Mike Stoner at 573-774-9775 Cell**

It is Equipped with a Community Well and Electricity is Readily Available. Property is Located on Mansfield Dr. just off Hwy 83 in Warsaw. These 2 Parcels of Timbered Recreational Hunting Ground Back Up to a Bonus of Thousands of Acres of Corps of Engineers Property. Thus Making a Hunter's Dream! Pay For Less, But Have More! This is the Perfect Spot for a Get Away Cabin or Even Your Forever Home. HICKORY CO - 20 ACRES - \$49,900

Secluded 20 +/- acres off of County Road 154 west of Preston Missouri putting you within a 10-minute drive to Pomme De Terre Lake. A power line runs along the edge of this tract and would be easy to access. The land lays with gentle hills and lots of mature timber. This property has a small wet weather creek that runs through the middle of the land. This estate is a hunter's dream with plenty of evidence of wildlife. With a little bit of clearing, this piece of land has the possibility to be a perfect hobby farm or utilize it now as a hunter's paradise. **To schedule a private showing call Lance Dempsey at 660-553-8002 or Pamela Dempsey at 660-553-8677.**

HICKORY CO - 6 ACRES - \$399,500

Custom 3000 sq ft home close to Pomme De Terre lake in a private setting. Home has been fully remodeled in the past few years, this place looks like it was just built! 3 bedroom and all three are big and spacious. Two nice custom bathrooms with some great tile work. This house is very open and bright, owners have really tried to lighten this place up and it shows. Home has bamboo floors upstairs and tile , and beautiful stone composite in the basement for easy to clean floors. The kitchen has stainless steel appliances , lots of custom cabinets with hard surface counters. The pool table room is one of my favorites, with good outside lighting and a real wood fireplace. Right off the upstairs game room is a sunroom with again plenty of windows and great sitting area for the hot and cold days outside. The downstairs is finished and has custom made bunk beds in the downstairs bedroom that will stay with the house. There is a huge game room-living room downstairs as well. With a wood stove there to warm up those cold nights. A two car attached garage to get your cars out of the weather and plenty of room for tool storage. Outside wrap around deck overlooks the firepit and out door play area that also has a play set for the kids. You will fall in love with the land scaping and yard work the sellers have done, lots of retaining walls and golf course looking grass! Two outdoor storage buildings for a he shed and a she shed for both of your tools and yard tools. This is the only home on a dead end road, so no through traffic. Pomme De Terre state park is right down the road for boat ramp and camping. This home comes with a shared boat ramp on the lake , this is a big deal on Pomme De Terre, with very few boat docks. The dock is just over the hill from the house. you can drive a golf cart right down to the waters edge. Hermitage is only minutes away for shopping and Springfield is a little over a hour. **Please don't wait long on this one, call Mike Stoner at 573-774-9775**

HICKORY CO - 11.2 ACRES - \$165,900

Don't miss your chance to view this adorable stone cottage loaded with history and character. This home was built from the stones of cabins that were once standing beneath what is now Pomme De Terre Lake. There is still work that needs to be done on the home, but the right person will be able to bring out tons of character and uniqueness when it's completed. Along with the home, there is a two-car garage with extra room at the back. This could be used for storage, a workshop, or you can add a small apartment. The 11+/- acre tract is mostly timber and with some light clearing will afford beautiful views of the valley and river below. Unique features are found throughout this property including an antique water spigot once used for watering horses, the marble base of a sundial, and an outdoor stone fireplace feature that I can imagine will be the center of many memorable nights for the new owner. **Call Pamela Dempsey at 660-553-8677 or Tristan Dempsey at 660-553-7043 today to schedule your private showing!**

FEEDER CATTLE AUCTION
Tuesday, June 15
Cattle Receipts: 1,102 • Week Ago: 1,737 • Last Year 1,295
Compared to last Tuesday, feeder steers under 700 lbs steady to 2.00 higher, over 700 lbs 2.00-4.00 higher. Feeder heifers under 500 lbs steady, over 500 lbs 3.00-6.00 higher. Slaughter cows steady to 2.00 lower. Demand good. Supply moderate. Things are breaking our way at the moment with adequate slaughter volume, lower corn and higher feeder futures the past few trading days. Maybe the best news is that packers have bought a few cattle 2.00/cwt higher so far for the first time in several weeks despite beef cutout values having topped and headed seasonally lower. Supply included: 88% Feeder Cattle (45% Steers, 49% Heifers, 6% Bulls); 10% Slaughter Cattle (97% Cows, 3% Bulls); 1% Replacement Cattle (100% Bred Cows). Feeder cattle supply over 600 lbs was 38%.
