RECIPE

GRILLED ZUCCHINI

2 medium zucchinis, sliced into 1/4" rounds
2 Tbls. olive oil
1 tsp. garlic powder
1/2 tsp. salt
1/4 tsp. black pepper
Fresh herbs (basil or parsley), for garnish

Preheat grill to medium-high heat. In a large bowl, combine zucchini slices, olive oil, garlic powder, salt, and pepper. Toss well until evenly coated. Place the zucchini directly on the grill in a single layer. Grill each side for about 3-4 minutes until you see grill marks. In the last minute of grilling, sprinkle fresh herbs over the zucchini for added flavor. Remove from the grill and serve immediately with optional lemon juice or additional herbs as garnish.

Benton Co-34 Acres - \$135,830

If you are looking for a great hunting tract close to the Lake of the Ozarks, this is it! 34 wooded acres with some nice big mature timber. It lays good and has a creek running through it and owner has also put in a wildlife pond. There are two food plots both with new Muddy box blinds both on metal stands with ladders. These are nice blinds that will keep you out of the weather while hunting. Owner also installed two nice steel gates one on the hwy side the other on the county roadside. The county roadside would be a perfect spot for a camper or cabin, there is electric and high-speed internet right there already. One trail runs from one side to the other for access. This will be a good spot for turkey and deer hunting. One should also find wild mushrooms here as well. This is a great all-around recreational tract. Call Mike Stoner at 573-774-9775 cell

Benton Co-80 Acres - \$319,600

Here is a great laying 80 acres in southern Benton County. Only a couple minutes from Edwards. This property has some nice building spots on it. Some great views as well. Electric is along the county road. There are some trails through the timber to get around on. Its approximately 50-50 open versus timber. The aerial is not that up to date and owner has done a lot of work to make several fields. There are two nice creeks on the property and a spring for a water source. This will be some excellent hunting land for deer and turkey. I kicked up several deer and across the road there was a big gobbler out eating in the neighbor's field. Close to Lake of the Ozarks with Brown Bend access being 15 minutes away and Truman Lake is 20 minutes. Warsaw will be the closest big town for shopping. There is a lot of good fencing in place, with a little work on a couple stretches you would have a good tract to run some horses or cattle. Call Mike Stoner for more information 573-774-9775 Cell

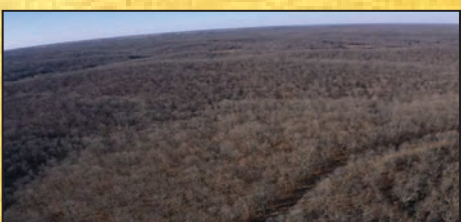

Benton Co- 60 Acres - \$220,000

Talk about a secluded and private location! Behind a locked gate off Hwy B south of Cole Camp, Mo you will find this 60-acre wooded tract. This will be a great deer and turkey tract with some great supporting land around it. Owner has gotten some good ones here and trail cam pics. There is a pond in the woods for water source. Also, some wet weather creeks in the draws. There is also a secluded field towards the back of the property if someone wanted to get in a food plot or put up a box blind. No power on the property, more of a remote hunting spot. Good rock road leading to it. It's also been surveyed. Only minutes down the road to Lake of the Ozarks and a marina. Truman lake is 25-30 minutes as well. Call Mike Stoner and let's take a look 573-774-9775 Cell

Camden Co-72 Acres - \$194,000

Located between Climax Springs and Greenview off Hwy 7 lies these 72 acres that in secluded and very private. With right at a mile easement off hwy 7 on a good established road lies this mostly timbered tract. Owner has just finished a select cut of timber on it but is clearing off the tops of the ridges with a loader to make it more appealing. Lots of flat top ridges here and it's not very rocky so someone could make this a pasture farm with some work. Great deer hunting and will also be a place to chase gobblers come spring. Several drainage areas for watering holes for the wildlife. There are miles of established trails here to get around. Close to Lake of the Ozarks and Marinas are within 5 minutes away. The seller will also offer in three other tracts if someone wants a smaller acreage, please see other listings. Survey company is scheduled for a couple weeks out; acreage could increase or decrease a little. Price will be based off surveyed acres. Please call Mike Stoner at 573-774-9775 Cell

Morgan Co-36.76 Acres - \$129,500

This is a great all wooded 36.76-acre tract south of Stover Mo in Morgan County. This will be and is a great hunting tract for deer and turkey. Located on a private road and very secluded and private setting. Some good mature timber on it and has not been cut in years. There is a wet weather creek that runs through the north side of the property that usually always has some water holes for the wildlife. There are some neat rock formations along the creek that are unique. Only 8 minutes from Stover and 15 minutes to Lake of the Ozarks. There is electric and high-speed internet both on this tract of land in the front. We also have the adjoining 67-acre tract with a cabin listed for sale if someone wants over 100 acres to enjoy. Please call Mike Stoner for more information 573-774-9775

Hickory Co-11.19 Acres - \$87,945

What a beautiful laying 11-acre tract bordering Hwy B just north of Wheatland Mo. If you are wanting a place to build in between Truman Lake and Pomme De Terre look no further! Very level mainly open ground with county rd frontage as well on the south side. Electric is on the property already. Would make a great location to also run a few horses or cows. Highway B is a relaxed non busy road so not a lot of traffic. Five minutes to Wheatland, 15 minutes to Pomme or 10 minutes to boat ramp at Avery on Truman Lake. You will get some wildlife here as well. Numerous times I have went by this tract and saw several deer right at dusk in the field. This won't last long !
